Calgary, July 6th to July 11th, 1925

A GIGANTIC CIVIC ENTERPRISE

Celebrating the fiftieth anniversary of the coming of the Royal North West Mounted Police, and the building of Fort Calgary.

Thousands will honor the famous "Scarlet and Gold" by joining the veterans and the present-day force in the celebration of their fiftieth anniversary.

Calgary, a thriving modern city of 70,000 population, extends greetings. Join us in dressing the part and living for one glorious week in the wonderfully romantic past.

Nowhere else in the wide world can you see such a thrilling and intensely interesting celebration that covers the West of yesterday and today.

Remember this is not a "Show" being put on by private enterprise. It is a Calgary Civic Institution, wherein are shown the best livestock and general exhibits to demonstrate the resources of the Great Northwest. It is "The Show-Window of Alberta."

A WELCOME YOU'LL NEVER FORGET!

Make your plans now to be in Calgary the week of July 6th to 11th, 1925. Come by train, motor, horseback, aeroplane, or on foot,—but be here for the opening of this stupendous Frontier Frolic, and see the Greatest Parade of all time, depicting the Pioneer Past, and the Progressive Present.

THE STAMPEDE PARADE AND PAGEANT OF PROGRESS

Visualize a great parade four miles long with Indians, Cow-boys, Cowgirls, Mounted Police, Trappers, Chuck Wagons, Ox-teams, Dog-teams, 918 horses followed by Floats representing development up to the present day.

This year's pageant will surpass anything ever attempted in portraying fifty years of progress in Western Canada.

Remember the actual Indians, Pioneers, and Mounted Police Veterans will represent the early days personally, not individuals dressed to play the part.

SPORT WITH THRILLS AND SPILLS

The sports of the Cowboy, the Indian, the Packer, the Prospector, the Stage-Coach driver, such as Broncho Busting, both with saddle and bareback, Calf Roping, Riding of Wild Range Cows and Steers, Wild Cow Milking, Handling of Wild Horses and Wilder Cattle, Chuck Wagon Races, California Cart Races, Democrat Races, Cow-horse Races, Indian Races, Squaw Races, Indian Tepee Races, Pack Races, Fancy and Trick Riding and Roping, Famous Wild Horse Race. In fact every kind of an amusing, thrilling, he-man sport known to the Frontier West, participated in by genuine inhabitants of the West—not as a "Show" but as a genuine competitive tournament, where the winners receive thousands of dollars in cash purses, valuable and handsome trophies and official championship titles, including the beautiful trophy presented by H.R.H. the Prince of Wales.

MORNING STREETS DISPLAYS

Where else on earth can you see the main business portion of a thriving city bar auto traffic for an hour and a half each morning and allow only Indian ponies, saddle horses, chuck wagons, Red River carts, etc.

Where else can you see cowboys establish a regular camp and cook their meals on the main street or make their saddle horse lie down on the street car track to tie up the street car system, and see ten to fifteen thousand visitors crowd the street each morning, while the best dressed Indians, cowboys and cowgirls, etc., are being judged?

THE WORLD'S LONGEST TEAM

Slim Moorehouse, driving 32 horses and hauling 8 wagons of wheat, thrilled thousands last year as he turned ordinary street corners. This feature was one of the most talked of feats of horsemanship ever seen. This year Slim will hang up a new world's record, driving 36 horses, hauling 10 wagon-loads of wheat. The outfit will be supplied from Gleichen, Alberta.

INDIAN VILLAGE, TRADING POST, AND OLD TIMERS' CABIN

Visit the Hudson's Bay Co.'s log trading post and enjoy a cup of tea with the Old Timers in their log cabin on the grounds, surrounded by a modern Indian village of painted tepees inhabited by Sarcee, Blackfoot, Stoney, Peigan and Blood Indians in their picturesque attire. Near by is the chuck wagon camp, where pioneer stockmen cook and eat their meals. This forms a most interesting cross-section of the pioneer past.

GRAND COWBOY BALL

The Cowboy and Old Timers' Ball held under the auspices of the Western Stock Growers' Association and the Southern Alberta Old Timers' Association will be a wonderful feature. Cowboy and cowgirl attire will be in order. The ball will be held in the Palliser Hotel Ball Room, main dining room, rotunda and a street block. Three bands will be in attendance.

Platform Programme

Each evening and Saturday Afternoon at the Calgary Exhibition, Jubilee and Stampede, will be presented on the platform in front of the Grand Stand a number of the highest class feature acts procurable in Vaudeville.

YACOPI TROUPE

The pretentious and totally different original entertainment that will be offered by the Yacopi Troupe at the 1925 Calgary Exhibition will instantly seize the attention of the patrons. The Yacopi Troupe comes direct to United States from South America, where they have played the past two years. They are all

superior gymnasts and the speed maintained in their act keeps them always in high favor.

The Yacopis will offer a cleverly staged exhibition of feature stunts and several of them pack a life sized thrill. Their showing is spectacular, requiring super strength and endurance of which they all have an abundance.

In their triumphal sequence of feature stunts their realization of the human bridge goes far beyond anything of the kind ever attempted and includes a lady in the formation, positively the limit in their far-famed and complicated manoeuvres. Out of a maze of original acrobatics is suddenly shown the triple somersault from plank to shoulders, a most daring exhibition demonstrating the highest efficiency and showmanship.

New sensations from the old world is a fitting title for this super feature attraction and they are decidedly justified in the star place on any program as their reputation, original and inimitable feats, their number and personnel, makes them one of the most desirable features ever offered.

There is a vein of comedy throughout their great performance, adding variety to the routine. The costuming and paraphernalia are decidedly foreign, contributing to the act's effectiveness, the strange lure attached to distant countries combined with new, super-sensational stunts, making them one of the greatest combinations ever brought to this country.

LOMAS TROUPE

The latest importation from England, the Lomas Troupe, pantomimics supreme, will be one of the principal numbers of the entertainment program at the Calgary Exhibition. The Lomas Troupe is appearing in this country for the first time, after years of success in Europe, and wherever presented it has been as successful as on the other side of the Atlantic Ocean. While pleasing to people of all ages this is an especially attractive act to the children who will remember it as a fairy tale come to life.

BILLY LORETTE

The drollest of cut-ups, Billy Lorette, one of the funniest fellows in the world, has been engaged as one of the features of the Calgary Exhibition. When Lorette comes here his several trunks will be packed solid with laughs and joy, which he will distribute daily.

Lorette is one of the few nationally known clowns that remains in the show business. For the past decade he has been featured by all in the big circuses. His clown policeman is known from Victoria to Halifax and he has entertained thousands and thousands with his laughable antics.

This funny southerner always works without assistants. Give him a cigar and an old faded policeman's uniform and a little makeup and he can walk among an audience and garner more laughs than any other "Merry Andrew." Keep your eye on Lorette at the Calgary Exhibition, Jubilee and Stampede, July 6 to July 11, 1925, and you will be well repaid in clean fun and high class entertainment.

THE KIKUTAS JAPS

A thrill for those who admire unusual dexterity and a pleasant surprise for those who love the beautiful is one way of expressing an appreciation of the superb performance given by the brilliantly costumed Oriental novelty, The Kikutas Japs. Their act is one of superiority in equilibration, they ascend to the highest degree of efficient and artistic equilibristic accomplishments. The company comprises a cast of eight, six men and two girls. Radiantly beautiful costumes are lavishly worn. No stinting on wardrobe by this splendid troupe. To the contrary the audience, especially the ladies, are immediately impressed with the wealth of beautiful things worn. The success of this offering at the Calgary Exhibition, Jubilee and Stampede, July 6 to 11, 1925, is assured.

CAPTAIN PICKARD AND HIS SEALS

Well trained animals are always interesting and popular as an entertainment feature, but Captain Pickard has gone a long way ahead of anything else in this direction when he presents his wonderful troupe of clever and versatile actors from the frozen lands of the far north. For they represent about the most advanced degree of animal training effort and give a performance that closely approaches the incredible, in versatility, pep, knowingness and amusing detail, as they do their stunts of rope walking, juggling, playing musical instruments and cutting all sorts of capers, under the guidance of Captain Pickard himself.

It is an act every child, as well as the elders, finds tremendously interesting and amusing, and it has a highly educational value that is easily recognized. Pickard's Seals will be one of the platform attractions every evening at the Calgary Exhibition, Jubilee and Stampede, July 6 to July 11, 1925.

6. Where there is only one entry in a class, the Directors reserve the right to consolidate classes, providing the classes as consolidated do not have more than five entries.

7. In all cases the right is reserved to reject entirely, or accept conditionally, any entry or application; and under no circumstances will exhibits which are offensive by reason of their odor or appearance, or which are dangerous by reason of their combustible or explosive character, be admitted; and if any such be introduced by an exhibitor through misrepresentation or otherwise they may be removed by order of the Manager.

8. All property of every character entered for competition or display or any other purpose (or being anywhere in the Exhibition Grounds), shall be subject to the control of the Directors or Manager; but in no case shall the Exhibition Company, Directors or Manager, or any of them, be held responsible for any loss, damage or injury of any character to any such property while same is on the Exhibition Grounds, or at any other time or place. If the property owners or others interested in property desire protection against loss, damage or injury from fire or from any other cause, they must make their arrangements therefor. Though the Board will take reasonable precautions to ensure the safety of articles sent to the Exhibition, should any article be injured, lost or stolen, the Board will give all the assistance in its power toward the recovery of the same, but will not make any payment for loss, damage or value thereof.

ENTRIES CLOSE JUNE 20

Exhibitors, concessionaires and all other persons are only admitted to the grounds on the understanding that they are co-operating with the Exhibition Company in the above objects. No claim for injury to any person or property shall ever be asserted, nor suit instituted or maintained against the Calgary Industrial Exhibition Company, Limited, its officers or agents, by or on behalf of any visitor; or any person, firm or corporation, or their agents, representatives, servants or employees, having license or privilege to exhibit on the Exhibition Grounds or occupying any space thereon.

10. If any damage, loss or injury to person or property shall be caused by reason of any neglect or wilful act of any person, firm or corporation, or their agents, representatives, servants or employees having license or privilege to exhibit on said Exhibition Grounds, or occupying any space thereon, the Calgary Industrial Exhibition Company, Limited, shall in no manner be responsible therefor, and in case it be subjected to any expense or liability, all persons causing same or liable therefor, shall indemnify the said Calgary Industrial Exhibition Company, Limited.

11. Exhibitors of animals, machinery in motion and other exhibits liable to occasion accidents, injury or damage to persons coming in contact with them, shall guard their exhibits and protect the public from coming in contact therewith, and every such exhibitor shall indemnify the Company from and against all claims and demands, costs, charges and expenses which it may incur, suffer, or be put to by reason of any accident, or of any person being injured or suffering damage through or by reason of any such exhibit not being properly guarded or the public not being protected therefrom.

12. The Management reserves the right to remove from the ground any exhibit, animal, stand or show that may be falsely entered or may be deemed unsuitable or objectionable, without assigning any reason therefor, and if the exhibit, animal, stand or show has obtained admission through misrepresentation, to return any money already paid for any unexpired term for space or stalls, which shall exonerate the Company from any claim whatsoever on the part of the exhibitor or purchaser.

13. All owners of property, or others having same in charge, shall care for, guard, protect and preserve the same, as the Calgary Industrial Exhibition Company, Limited, does not undertake to do so, and it shall not be held responsible for any loss or damage to said property.

14. Any exhibitor shall, if requested by the Board, make a statutory declaration that the exhibits made by him are shown in accordance with the Rules and Regulations of the Exhibition. In case any exhibitor refuses to make such a declaration, on being requested, all premiums awarded him shall be forfeited.

15. When an article other than live stock has won two prizes, the same article shall not be eligible for entry again.

Exhibitors are especially notified that articles or animals arriving after the above time may not be allowed to compete. For time when entries should be delivered at the various buildings, see regulations for each department. Exhibitors of machinery and other heavy articles are requested to have them on the grounds and placed in position at least one day previous to the opening of the Exhibition.

18. All boxes, wrappings and other packing material must be cleared away and everything be in proper order before 9 a.m. on the opening day.

19. Exhibitors must provide at their own expense for the delivery and return of their articles to and from the Exhibition Grounds.

20. Articles (not live stock) not accompanied by their owners may be addressed to the Manager, **prepaid**, who will receive them as the agent of the owner on being delivered at the grounds, but in no case will he become responsible for same.

21. Exhibitors must at all times give the necessary personal attention to whatever they have on exhibition, and at the close of the Fair claim and take charge of their exhibits.

22. Every facility will be afforded for the transaction of business, by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition, except by special arrangement.

23. Non-compliance with the Rules of the Exhibition on the part of the exhibitor or his employee shall incur the forfeiture of any of the premiums awarded.

LIVE STOCK

All animals will be subject to Veterinary Inspection.

Cattle exhibitors must state on entry form if herd is under Government supervision for accredited herds or not.

OFFICIAL MEASURER

24. The Official Measurer, appointed by the Exhibition, will be at the office of the Live Stock Superintendent, in the Horse Show Arena, at 11:30 a.m., on the first three days of the Exhibition. He will be prepared to issue certificates of height which will be accepted during the current year's Exhibition.

25. Where special live stock prizes are included in the Prize List, and no entry fee is charged, animals must have been entered and shown in the regular class if there is a class for such entry.

26. Stabling is provided upon the grounds for live stock of exhibitors not resident in Calgary. Necessary straw for use during Exhibition will be supplied the exhibitors of live stock by the Exhibition Company at 50 cents per bale. Hay and grain will be for sale on the grounds.

27. Except where otherwise provided, where certificates of registration are required, the pedigree of the animal must be registered in the Canadian National Records in the name of the exhibitor, who must produce the certificate of registration registered in his name to the Secretary, Live Stock Superintendent or Judge on request, or his entry may not compete, or if prizes are awarded they will be withheld.

If certificates of registration of animals shown, recorded in the Canadian Live Stock Records in the name of the exhibitor are not produced for inspection by exhibition officials within three months of closing date of exhibition, all prize money won by such animal or animals will be forfeited.

28. Whenever the word "progeny" is used in the live stock classes, it is to be defined as referring to and meaning the direct descendant, as son or daughter.

29. Animals must be shown in proper class as to age and may be shown in as many classes as eligible, but mares may not be shown in a three-year-old and also in a dry mare or mare and foal class.

In classes for "Get of Sire" and "Produce of Dam", ownership by exhibitor shall not be required unless otherwise stated.

30. The substitution of one horse for another will not be allowed.

Errors or corrections in Live Stock entries, if allowed, must be made with the Live Stock Superintendent before the commencement of the programme in which the class is to be judged.

31. A pure-bred animal, that is an animal sired by a pure-bred male, and who dam is pure-bred, cannot compete in classes for grade animals.

32. The production of any of the animals may be ordered by the Manager or Live Stock Superintendent for review or other purposes, at any time during the Exhibition, and any exhibitor or attendant refusing or neglecting to bring such animal out as directed shall forfeit his entry fee and any premiums which may have been awarded him.

33. If required, exhibitors must give statutory declaration as to the age of their animals.

34. In the Horse, Cattle, Sheep, Swine and Poultry Classes, the entry must in every instance be made in the name of the

bona fide owner, except where otherwise stated, and unless this rule be observed no premium will be awarded, or, if awarded, will be withheld.

Payment of Prizes

35. Premiums will be paid not later than fifteen days after the close of the Exhibition, by cheque, sent to the post office address of the exhibitor, as given on the entry form.

36. Only first and second prize winners in classes for individual animals will be allowed to compete for championships. Championship prizes will only be paid when two or more exhibitors are competing in the regular classes, but a prize card or rosette will be given.

37. The Directors shall have power to decide all protests and withhold prizes if they are of the opinion that it is just to do so. They shall also have power to interpret the rules and make new rules if the printed rules do not cover any dispute or point which may be brought up. They may take action without protest being made.

38. Should a premium be found to have been obtained or awarded by error on the part of the Judges, Clerk, or Director in charge, or by false evidence or misrepresentation, or a violation of any of the Rules, the money will be withheld, or, if paid in error, same must be refunded.

Where there is only one entry in a class, the class may be consolidated with the next nearest class.

Exhibitors are cautioned to be careful of their prize ribbons, when awarded, as ribbons will not be duplicated.

JUDGES AND JUDGING

39. Any prize may be withheld when the judges are of the opinion that there is not sufficient merit in the entry exhibited to justify an award.

N.B.—The Judges are particularly requested to note Rule 39.

40. Exhibitors must ascertain from the card published for that purpose at what hour judging will take place; and no complaint or appeal based upon the statement that the Judges have overlooked exhibits will be considered by the Board.

41. An exhibitor lodging a protest must make it in writing. It must be delivered to the office of the Manager before 10 a.m. the day following the cause of protest, and a receipt must be obtained. A protest must state plainly the cause of complaint or appeal, and must be accompanied by a deposit of \$10.00, which sum shall be forfeited to the Exhibition Company if the said protest is not sustained.

42. The Judges are requested to name a reserve in all classes in case of a protest being sustained.

43. Protests against the Judge on the grounds of incompetence or previous bias, may only be made in writing to the Director in charge, or Manager, at least two hours before the class is brought into the ring.

44. Each Judge is expected to exercise great care in seeing that the awards are marked correctly in the Judges' books.

45. No prize colors or cards may be affixed to an entry, except in championship classes, until the awards have been made.

46. No person shall be permitted in the judging rings during the time of judging, except the Directors in charge, Judges or assistants, persons in charge of animals, and members of the press.

47. Any person who shall attempt to interfere with or influence the Judges while in the discharge of their duties, or who shall at any time, on the Exhibition Grounds, use any contemptuous or abusive language to any Judge or within his hearing, in consequence of any award made by him, or any exhibitor refusing to accept any award made by a Judge, shall forfeit his right to any premiums to which he might otherwise be entitled, and may be excluded from exhibiting for one or more years thereafter. Judges are particularly required to report any breach of this rule.

48. Upon the discovery of fraud, deception, or dishonest practice, which may have affected or have intended to affect the decision of the Judges, the Exhibition Company have power to withhold the award, and may prohibit the offending party or parties from exhibiting in any class for one or more years, and may also publish the names of such persons if deemed expedient.

These tickets will bear the names of the persons for whom they are issued, and if presented by any other person will be forfeited. Additional tickets may be purchased for \$2.00 each.

No soliciting for any purpose will be permitted on the Exhibition Grounds except from within a booth or space allotted for that purpose.

FIRE AND POLICE PROTECTION

55. Exhibitors, Concessionaires, or other attendants are prohibited from using coal-oil stoves, or fire of any kind, except gas or electricity, in or near the buildings. Parties violating this rule may have their exhibits removed from the grounds.

56. The grounds are connected with all the Fire Stations by telephone and an up-to-date Fire Station is located opposite the west entrance, and with the precautions taken, it is believed that any danger from fire is very remote; but exhibitors desiring insurance must give the matter their personal attention.

57. An ample police force will be on duty night and day during the continuance of the Exhibition, but exhibitors are expected to exercise constant supervision over their articles on exhibition, as the Exhibition Company will not be responsible for loss or damage by theft, fire or otherwise. Small and valuable articles should be exhibited in show cases, securely locked.

TRANSPORTATION OF EXHIBITS OF LIVE STOCK

58. Live stock exhibits should be billed to the exhibitor at the Exhibition Grounds, Calgary, at full single rate, and if they do not change hands and a certificate to this effect is obtained from the Manager, the railroads will return their exhibits free. (The railroads do not include race horses in this arrangement.)

SPECIAL CLASSES FOR RECORD OF PERFORMANCE AND REGISTERED BIRDS

Registered birds and birds having a Record of Performance must first be entered in the open classes for their variety where they will be judged with the other entries. These birds will also be entered by the exhibitors in one of the special sections provided in each class for R.O.P. and Registered Birds as follows:

Section A.—Females that have qualified under R.O.P. (150 egg class).

Section B.—Females that have qualified under R.O.P. or Registration (200 egg class).

Section C.—Approved and Banded R.O.P. Cockerels.

Illustration: A White Wyandotte hen with R.O.P. (150 egg class) would be entered in Class 82 and Sec. A.

Besides being judged in Class 82 with all the other entries in that class the birds entered in Section A will be judged by themselves as a separate class with regular prizes according to schedule.

In the R.O.P. and Registration Sections, the American Standard of Perfection will be the guide for the judge who will be the judge who judged the like variety in the regular classes.

By this arrangement, R.O.P. and Registered Birds are eligible to compete twice for prize money.

The R.O.P. band number must be entered on the entry forms and the Secretary must be supplied by the Exhibitor with the Annual Report (Record of Performance) for each bird entered at the time entry is made. The production of the birds will be checked against the respective classes in which they are entered.

Exceptions: In the Light Barred Rock and Dark Barred Rock classes birds for Sections A or B or C, in both classes, will be combined for judging.

Application and Allotment of Space

Applications for space for exhibits of manufactured goods or for demonstrations, should be made as early as possible in the year.

Such exhibits and demonstrations will be housed in the Industrial Building, the Exhibits Building and the Grand Stand Building.

The exhibitors of the previous year are given an opportunity to retain their space for the present year. If not required by them the space will be allotted to new applicants, in the order in which their applications are received.

Charges for space in these buildings are based on the rate of Seventy-five cents per foot, frontage, with a minimum charge of \$15.00. An extra charge of \$15.00 is made for a corner space. These charges are for exhibit and demonstration purposes, and business may be done by the way of taking orders for goods to be delivered at a future date. If it is desired to sell goods in the space for immediate delivery a selling charge of \$50 in addition to the space charge will be made.

Arrangements for outside space for the display of Agricultural or other machinery can be made upon application in writing to the Manager, or by phone, M2732, to the Assistant Manager, or Superintendent of Concessions.

In the allotment of space the Manager or Director in charge reserves the right to place exhibits in any department to which, in his opinion, they properly belong.

Preparation of Exhibits

Exhibitors are respectfully notified that Saturday, July 4th, is Preparation Day. All goods must be in position not later than Saturday night so as to be ready for the opening on Monday morning, July 6th.

fail to make or maintain a creditable display, to declare the space allotted to him, or any portion thereof, forfeited.

The manager reserves the right to prescribe the dimensions of and regulate the position of all signs, and generally to direct the management of articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance.

Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition, except by special arrangement.

Exhibitors will not be allowed to distribute hand-bills or other advertisements about the grounds or buildings. Advertising matter must be distributed from the space where the exhibit is installed. Neat cards for this purpose are recommended, as they are more likely to be kept by the visitors and not thrown to the ground.

Any exhibitor, concessionaire or attendant making unseemly noises or otherwise calling the attention of visitors to his exhibits in a way that may be considered by the board of directors or manager unseemly or a nuisance, shall be liable to forfeit his space and all privileges as an exhibitor or concessionaire, if the board of directors or manager so determine.

Any exhibitor guilty of distributing advertising cards or notices, either personally or by agent, that may be considered immoral or objectionable by the board of directors or manager, shall forfeit his or her space, and all privileges as exhibitor.

If space allotted is accepted and exhibit not installed, any money paid for same will be forfeited.

All decorations made by exhibitors will be subject to the approval of the director in charge or the manager of the building, both as to character and material used.

A UNIQUE RECORD

167,279 people attended last year's event, compared with an attendance of 137,838 the previous year, and 97,732 in 1922.

Many came for a day and stayed for a week. They were unanimous in believing this to be the biggest week's entertainment ever offered for the money. One afternoon there were automobile parties present from five provinces and fifteen states. Where can you equal it?

LADIES' DEPARTMENT

Exhibits must have been the work of the exhibitor in Western Canada.

No article which has received two premiums at preceding Exhibitions at Calgary will be eligible to compete for a premium this year.

The articles of a collection or display cannot be entered separately for individual premiums, and the articles in a collection must be the work of the exhibitor. A collection entry of the work of several exhibitors may not be made except where stated. Each article may only be entered in one class.

No person may enter more than one article under the same lot number, except in collections, and all exhibits in collections must be made by one person.

Under the general head, each kind must compete with its kind. Silk embroidery cannot compete with cotton embroidery; same rule applies throughout the department.

The Judge is instructed not to award premiums unless the articles are deemed worthy of merit; nor to articles borrowed or purchased for competition, nor those incorrectly named or listed.

In judging, the design, usefulness and finish of the article will be considered, as well as the workmanship. Design as well as execution will be taken into consideration.

Any article having been properly entered, can be forwarded with the entry card attached, by express (charges prepaid) to the Manager, who will place the goods on exhibition and return them to the exhibitor at the close of the Exhibition. The company will not be responsible for breakage or loss of any exhibit from any cause whatever, but the greatest care will be exercised in connection with same.

Soiled or unfinished articles will not be accepted.

Those who teach or sell their work shall be considered professionals, and may only exhibit in professional classes. This rule applies throughout the department.

In case of protest on any article, parties must be able to demonstrate their ability to do the work before receiving premium.

Entry tag must be securely attached to each exhibit by the exhibitor. No work will be accepted unless entry tag is securely attached before it is brought in.

Four Clifton Girls

Coming to the Calgary Exhibition this year are the Four Clifton Girls, the fastest and snappiest dancing act ever offered the public, an act that is filled to the brim with speed and class, an offering that combines clever acrobatics with the very latest and most intricate dancing steps.

The art of dancing is frequently acquired in a short time, especially when the director is unusually competent. But not so with dancing when it depends in the main upon acrobatics. The Four Clifton Girls were under the direction of one of the most noted dancing teachers in New York for several years before they made their debut on the leading vaudeville circuit.

Acrobatic dancing is the hardest of hard work, and it means that every day, regardless of performances, two hours must be devoted to practising and keeping in physical trim.

Each and every member of the Clifton Girls can step into the front rank of the Follies and emerge victor in a beauty contest with these famous beauties. They have physical charm in abundance, they wear pretty and bewitching costumes and they possess personalities that are pleasing and that endear them to the patrons. They are truly a treat for the eyes and are a symphony of grace as they flash their series of acrobatic dances.
